The head coach of any team in any division eliminated in the semi-finals is entitled to two (2) complimentary tickets for that division of the state finals. The request for tickets must be made to the tournament director. Tickets will not be sent unless they are requested. It is intended for everyone to know that no player or coach is entitled to free admission at a tournament site except when their team is playing on that occasion. **One exception:** The coach of a team eliminated may receive two tickets for the next game in that division.

Tickets for the next game. Check with director immediately following the game. Take home with you the next game supplies.

Parents of students competing in the tournament are allowed to purchase two (2) tickets at the school site.

STUDENT TICKETS: School officials must exercise care to insure that only students are sold student tickets. Schools receive tickets on a pro rata basis depending on the total enrollment of the school. It is the duty of the principal to request and obtain the number of tickets desired (you cannot exceed your quota which will be announced by the local tournament director). **Schools will be charged for the exact number of tickets ordered, unless those unsold tickets are returned to the tournament director by**

the prescribed deadline. It will be the duty of the local tournament director to contact the schools in the event that all student tickets have not been utilized; in this event, schools may exceed their quota. In each tournament game, one school is designated as the visiting team, and the other as the home team. The amount of cheerleaders that may be on the sidelines will vary due to space.

CHEERLEADERS MAY NOT USE PAPER SHAKERS WHEN THEY PERFORM ON PLAYING SURFACES. Keep cheers as brief as possible.
